

International Journal of

ECOHYDROLOGY & HYDROBIOLOGY

We would like to thank the following people for their voluntary work as peer-reviews for the papers submitted and considered for publication in the volume 2011 of *Ecohydrology & Hydrobiology*:

Jean-Jacques Aaron, Paris University (Marne la Vallée), France

Christine Argilier, Irstea, Aix en Provence, France

Marius Bottin, Irstea, Bordeaux, France

Pascal Breil, Irstea, Lyon, France

Hervé Capra, Irstea, Lyon, France

Luis Chicharo, University of Algarve, Faro, Portugal

Antonio Canatário Duarte, Escola Superior Agrária de Castelo Branco, Portugal

Piotr Frankiewicz, II PAS European Regional Center for Ecohydrology u/a UNESCO, Poland

Małgorzata Gutry-Korycka, Warsaw University, Poland

Peter Fritz, Helmholtz Centre for Environmental Research – UFZ, Germany

Andrzej Jodłowski, Lodz Technical University, Poland

Zbigniew Kaczkowski, University of Lodz, Poland

Andrzej Kędziora, Institute of Agricultural and Forest Environment, Polish Academy of Sciences, Poland

Svetislav Krtic, University of Ss Cyril and Methodius, Skopje, Macedonia

Michel Lafont, Irstea, Lyon, France

Małgorzata Łapińska, University of Lodz, Poland

Joanna Mankiewicz-Boczek, II PAS European Regional Center for Ecohydrology u/a UNESCO, Poland

Jiri Marsalek, National Water Research Institute (NWRI), Burlington, Canada

Philippe Namour, Lyon University, France

Francisco Garcia Novo, University of Seville, Portugal

Hanna Obarska-Pempkowiak, Gdansk University of Technology, Poland

Cvetanka Popovska, University of Ss Cyril and Methodius, Skopje, Macedonia

Manuela Moreira da Silva, University of Algarve, Faro, Portugal

Gabriela Silva, University of Saskatchewan, Canada

Magda Urbaniak, II PAS European Regional Center for Ecohydrology u/a UNESCO, Poland

Adrianna Wojtal-Frankiewicz, University of Lodz, Poland

Joanna Żelazna-Wieczorek, University of Lodz, Poland
